The Meadow Club Invitational was met with fantastic weather and spirited play throughout. Eight courts were in use until the final day and in what was certainly a treat, there was no double banking to be found! The courts were in great shape and with the lack of congestion upon the lawns, everything went smoothly.

Randy Cardo (-2.5) pulled off a bit of an upset in the Championship Flight Singles, taking full advantage when Sherif Abdelwahab (-3) uncharacteristically left a wire while setting up what should have been his final turn. Randy may have taken the trophy, but perhaps the highlight of the event occurred during block play, when Sherif pulled off an impressive sextuple peal!

Other highlights during play included the impressive play of Shane Hettler (2.5), a St. Johns grad with a bright future to look forward to...he captured the First Flight Singles with a gutsy 14-13 victory over Sandy Walsh (2.5). In the Second Flight, Paul Neubeker (8), also young and new to the game, demolished the field throughout, capping the event with a 26-4 victory over Sally McGrath (8). Arlene Stevens (9) stayed focused and, in last turn, finally took the lead for a 15-14 victory over the colorful Bill Sadowski (10), thus claiming Third Flight honors.

The Meadow Club thanks everyone for joining in the fun and looks forward to another amazing tournament next year!
